At every Macduff Sea Club session the expected behaviours include:

- The ability to take instruction and follow direction from the session leader
- Children understand that they may not physically or verbally hurt others, and they will respect the feelings, safety and personal integrity of themselves, others, any animals and the environment
- Respect any equipment and other participant's property
- Behaviours that negatively affects others enjoyment will not be tolerated

By signing your child up to Macduff Sea Club you are accepting our Code of Conduct. Failure of your child to follow our Code of Conduct and display any unacceptable behaviour will result in the following sanctions:

Minor Behavioural Issues

Stage 1 - Spoken to by the session leader about their behaviour.

Stage 2 - Time out – time out on the side to reflect on their behaviour before being spoken to by the session leader about their behaviour and returning to the session.

Serious/Repeated Minor Behavioural Issues

Stage 1 - Time out – time out from the session and spoken to by the session leader, who will issue a behaviour management form to the parents at the end of the session. In severe instances parents/guardians will be contacted immediately to collect their child. They will be welcomed back at the next session under the condition that there is an improvement in behaviour.

Stage 2 - If on return they continue to display poor behaviour which affects the enjoyment of sessions for other participants, they will be excluded from all future activities, and your session leader will be in touch to explain the decision.
