

Fit's 'at Beastie?

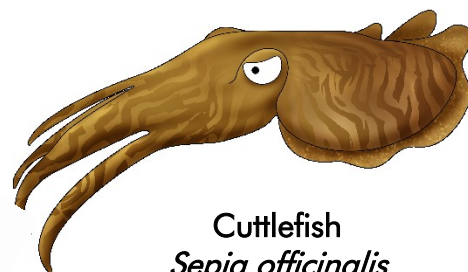

Many of our favourite Scottish sea creatures are known locally by very different names from the ones we commonly use. Match the traditional Scots name for each animal below, cut it from the next page and paste over the common name.

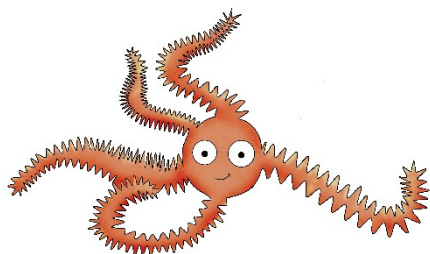

Moon Jelly
Aurelia aurita

Sea Cucumber
Psolus phantapus

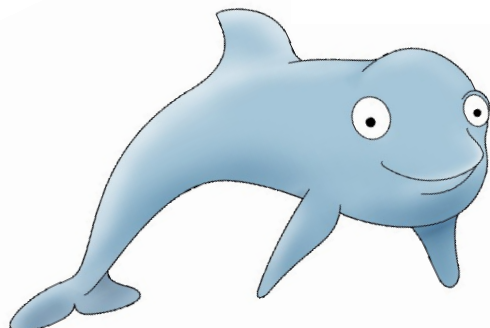

Cuttlefish
Sepia officinalis

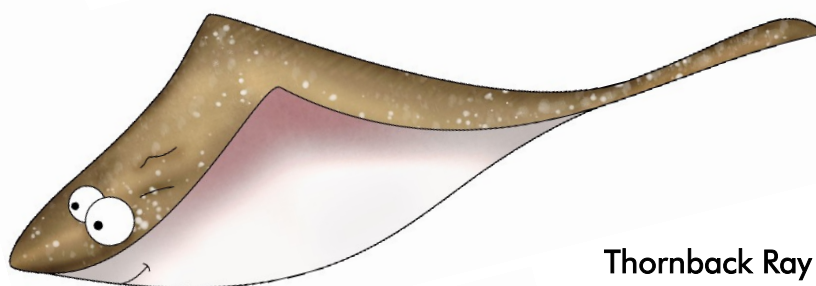

Brittle Star
Ophiothrix fragilis

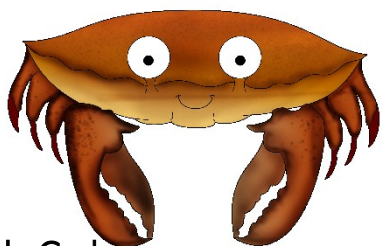

Common Seal
Phoca vitulina

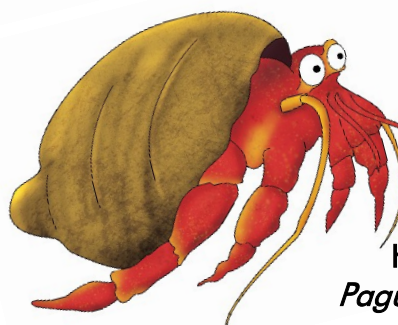

Bottlenose Dolphin
Tursiops truncatus

Thornback Ray
Raja clavata

Edible Crab
Cancer pagurus

Hermit Crab
Pagurus bernhardus

Scots Names Match!

Loch-livers

I'm more of a drifter
than a swimmer...

Parton

Watch out I can be a
nipper!

Brittle starn

I'm not much for
twinkling...

Ink-fish

If I get nervous you will
know!

Selch

My young are called
pups.

Jennie skate

I lay eggs called
mermaids purses.

Lapster buckie, Taid lapster or Clappie spur

I have a mobile home.

Mere-swine, Herrin- hog or Gairfish

People are always going
spotting to see me!

Cularan-mara

I look like the vegetable
I am named after.

Scots colour in!

Can you colour in the Parton and Clappie Spur below?

Common Hermit Crab
Pagurus bernhardus
